WORK EXPERIENCE

DATA ANALYST INTERN | MAIN FLOW SERVICES

JAN 25 - FEB 25

I assisted in data collection, cleaning, and preprocessing for machine learning models, ensuring high-quality and well-structured data. I analyzed large datasets to identify trends and patterns, extracting valuable insights to support data-driven decision-making. Additionally, I created visualizations and interactive dashboards using Python, SQL, making complex data more accessible and actionable ..

JAVA INTERN | NAVODITA INFOTECH

AUG 24 - SEP 24

Assisted in the development of Java-based applications, focusing on backend logic and database integration. Integrated JDBC for database connectivity, enabling CRUD operations with MySQL databases .Implemented multithreading to improve UI responsiveness and background data processing.

PROJECTS

Quiz Application Java | Link

Technology Stack: Java, Swing (GUI), MySQL (Database)

Developed a Java-based Quiz Application with an interactive user interface using Swing. The application allows users to attempt quizzes, view scores, and navigate through questions smoothly. The backend is integrated with MySQL to store quiz questions, user responses, and scores. The application supports CRUD operations for question management and ensures data persistence

Zomato Landing.page | Link

Technology Stack: HTML, CSS, JavaScript

Designed and developed a responsive landing page inspired by Zomato's UI/UX using HTML, CSS, and JavaScript. The page features an interactive and visually appealing layout with smooth navigation, animations, and responsiveness for various screen sizes.s.

Data Science with Python Task | Link

Technology Stack: Python, Pandas, NumPy, Matplotlib, Seaborn

Implemented a data science task involving data preprocessing, analysis, and visualization using Python. The project focuses on extracting insights from a dataset by performing exploratory data analysis (EDA) and applying statistical techniques to uncover patterns and trends.

EDUCATION

INDIRA COLLEGE OF ENGINEERING

2022-2026

Current CGPA-7.5

NIRMAL BETHANY JR COLLEGE

Percentage - 75%

ALPHONSA HIGH SCHOOL

Percentage - 86.20

CERTIFICATIONS AND COURSES

HACKERANK JAVA (Basic)

DEVTOWN JAVA

INTERNSHALA DATA SCIENCE
